DEDICATION

The class of '56 dedicates this book to its class adviser, Mr. Lacroix, who has opened doors of knowledge to the many who have studied under him. To Pop—

Oh, Time flies by
On silent wings,
With robes both bright and dark.
And then we wake
To find the new.
Our Memories all we've left
Of friendships won
And sometimes lost;
Of times both good and bad,
Of portals passed
In quest of joy
In buildings ours no more.
We gladly leave,
But then return
To find our hall of memories
Displaced
By newer things.

2. Two much H_2O

3. Oh, that November 4th

7. Ace

4. "Let me go, lover"

5. Nose to nose—who knows?

6. "Move over, boys."

"While I nodded, nearly napping, suddenly there
came a tapping,
As of someone gently rapping, rapping at my
chamber door."

Who dropped the money?

Those hard-working (?) seniors

"Too pooped to pop"

Let's go skate

Babes in the wood

Calm, cool, and collected

All dressed up . . .

What, a party in the weight room?

Quick, snap it!

Marguerite Ann Aldrich

Pep Club 1, 2, 3, Tri-S 1, 2, 3, Goldbug 3, Basketball 1, 2, 3, Softball 1, 2, 3.

The one member of our class who doesn't have to diet is Slim, our star basketball player. Although Marguerite is extremely good-natured, the one thing that annoys her is the way the college students take over our town when college opens. Some future employer will find Slim a very efficient secretary.

Marian Louise Ann Adams

Pep Club 2, 3, Goldbug 3, Pro Merito 2, 3, Basketball 2, Manager 3, Softball Manager 2, 3

Tall, attractive Marian could be a model, but she wants to become a secretary. An avid sports fan, Marian has participated in basketball and softball and has appeared in the cheering section at all games. Marian can discuss any television program as she is an ardent television fan.

Thomas B. Aldrich

Sports Club 1.

Anyone looking for Tom can find him hunting in the daytime and at the bowling alley at night. Witty Tom's favorite expression is "How's that grab ya?" Not particular about his food, he likes everything. Tom plans to help out the Navy when he graduates.

Earle C. Allis

Projectionist Club 1, 2, 3, Basketball Manager 1, 2, 3, Baseball Manager 1, 2, 3.

"Oh Splugs," Butch comments as he fiddles around with cars at his Leverett home. In school he distrusts teachers and enthusiastically served as manager of two athletic teams. His plans are to join the Armed Forces and if possible to make some improvements there.

Nancy P. Avery

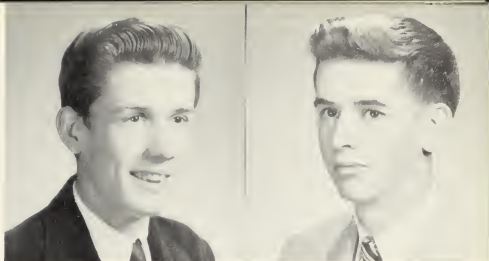

French Club 1; Tri-S 1, 2, 3; Outing Club 1, 2, 3; Goldbug 3; Intramurals 1; Badminton Tournament 2.

Although traveling is Nancy's hobby, her favorite trip is from Lincoln Avenue to Woodside Avenue. She has mastered the art of writing letters in study hall without being detected. Next year Nancy plans to attend the U. of M.

Wayne Everett Avery

Projectionist Club 1, 2, 3

"Pretty neat," says Hot Rod, whose pet peeve is losing a race. His favorite pastime is girls, and he is most likely to be found eating ice cream at Mae's in Northampton. If he doesn't become an electrician, Wayne plans to join the Navy.

William Banks

Operetta 2, Class Play 2, Basketball 3.

"I'll play your crazy game," says Bill, who can often be found with Ed. Bill is one of the actors in our class. He appears to be the quiet, shy type. Bill is undecided about the future.

Elizabeth Barschenski

Betty yells, "Oh, my gosh," when she is assigned homework, which is her pet peeve. She is quite likely to be found at home, and her favorite pastime is Joe. Upon graduation, Betty plans to do office work.

James R. Bias

Football 1, 2, 3; Basketball 1, 2, 3, Baseball 1, 2, 3.

Corky, a quiet sportsman, enjoys hunting and sweet cider. When he's not participating in sports, he can probably be found at home with the television set.

Elizabeth Jane Becker

French Club 1; Pep Club 1, 2, 3; Tri-S 1, 2, 3; Outing Club 1, 2, 3; Goldbug 3; Pro Merito 2, 3; Basketball 1, 2, 3.

Although Betty says she dislikes the color of her hair because it prevents her wearing pink, most of the girls are envious of her beautiful, red curly hair. Betty is a good student and a good athlete. She is always willing to work for her class. She plans to further her education at either the U. of M. or Syracuse University.

Jean Cowieson

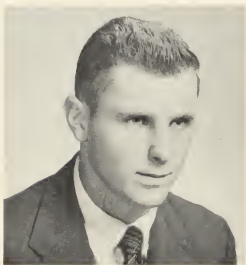

Student Council 2, Drama Club 1, 3, Chorus 1, 3.

Gay and cheerful at all times Jeannie is an untiring supporter of Dramatics and Chorus. Jeannie's favorite pastime is AMCOP. Ask her what it means. She is usually found in the Town House indulging in hotdogs. Jeannie plans to attend the U. of M. next year.

Janet Frances Couch

Pep Club 1 & 2, Tr-S 1, 2, 3, Goldbug 3

Janet is a peppy girl who comes from South Amherst. She has a good sense of humor, so naturally she dislikes people with no sense of humor. She can often be found in Springfield. Janet's future plans are undecided right now—but they may include hair-dressing.

Joseph Randolph Crowley

Graphic 3, Football 1, 2, 3, Basketball 1, 2, 3, Baseball 1, 2, 3, Goldbug 3.

"What's the scoop?" It's athletic Randy, whose favorite pastime is sports, and who can always be found in the locker room. Randy likes fried clams, French fries and salad, and dislikes short haircuts on girls and "D.A.'s" on boys. Graduation will see Randy headed for enrollment at Springfield College.

Alec Edward Cybulski

Basketball 3

Al dislikes to see knee socks on girls. Polish dances are his favorite activity. Most pleasing to his stomach are chop suey and grinders. He likes basketball and plans to attend the U. of M. next year.

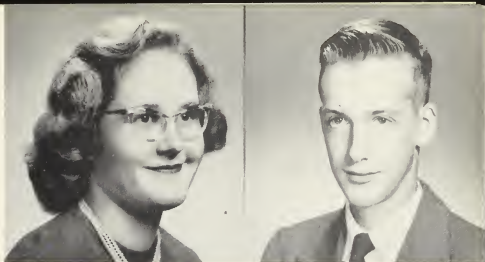

Everett Dimock

An inseparable pair in our class are Ev and Phil (French, that is). When hunting season opens you are sure to find Ev in the woods somewhere. How would a deer look on the front of your red convertible, Ev? Next year he plans to attend the U. of M. and then enter the Air Force.

Judith Wealthy Drake

Game Club 1; Pep Club 1, 3; Tri-S 1, 2, 3; Basketball Manager 1, 2, 3; Softball Manager 1.

Surely you must have seen Judy at Mae's Drive-In eating her favorite food, French fries. Or did you find her at the Bowling Alley? Frank, enthusiastic, and good-natured, Judy will be a welcome addition to the next year's Franklin County Hospital training class.

Chester Dziekanowski

Drama Club 3.

"That ain't right," energetic Chet exclaims loudly in English class. Other brilliant exclamations flow from his lips. Polish food delights him, and he likes to sing—to himself and everyone. He also likes Polish dances. Next year Chet is planning to attend the U. of M.

John Edward Dziuba

Game Club 1; Sports Club 1; Football 1; Basketball 1, 2, 3; Baseball 1, 2, 3.

Sylvia Jane Ely

Pep Club 1, 2, 3; Graphic 3; Goldbug 3; Majorettes 1, 2, Captain 3.

Petite Syl is best remembered for her clever twirling. Her favorite expression is "Great" which she applies to everything from chocolate pie, her weakness, to the latest "pop" tune. Office work or Commercial College are included in her future plans.

Augustia Fishel

Student Council 2; Pep Club 3; Tri-S 2; Program Chairman 3; Goldbug 3; Class Vice President 3; Band 3; Pep Band 3; Class Play 2; Basketball 2, 3; Softball 2, 3.

Gussie, a peppy redhead from Leverett, is a girl you won't forget for a long time. Coming to Amherst High in her junior year, she has been a very enthusiastic participant in all activities of her class. Her witty remarks in class have also provided her classmates with extra entertainment. Gussie plans to further her education at the U. of M.

Don Farrar

Game Club 1; Graphic 1, 3; Pep Band 2; Basketball 1.

"That's nice talk," flips Jose whose favorite hangout is the Hatfield Club Rendezvous. His favorite pastime is eating steak, his favorite food. Undecided about his future, Jose is definite in his dislike of girls who don't dress right.

Robert W. Fishel

Outing Club 3; Projectionist Club 2, 3; Basketball Manager 3; Baseball Manager 2, 3.

Bob, Gussie's twin, also came to Amherst High in his junior year. Known by his favorite expression "What?", Bob claims that he is fond of boiled snails. Like his sister, Bob is quick with witty remarks. He plans to go to the U. of M. and then become a chemical engineer.

A. Philip French

Basketball 2; Swimming 1.

Phil, who comes from South Amherst, can often be heard saying, "That's the most to say the least." In his spare time he likes to putter on cars, to camp, and to fish. He plans to go to Stockbridge if the girl who sat in front of him in Modern Problems doesn't drive him crazy.

Marion Janet Gardner

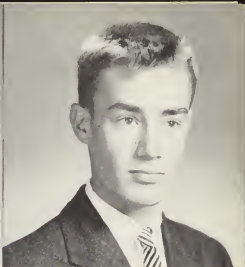

Pep Club 1; Pro Merito, 2, 3; Basketball 1, 2; Softball 1.

Although Marion is one of our top commercial students, she is not the traditional grind. Sports are her main interest, but whatever she attempts she does well. Because of her sense of humor and good nature, we predict that Marion will make many friends next year at Northampton Commercial College.

Connie Mae Glazier

Pep Club 1; Tri-S 1, 2, 3; Goldbug 3.

Connie, a petite blonde, is another one of our classmates from Leverett. She is the owner of a good sense of humor and can often be heard saying "That's life!" Her favorite pastime is listening to records. Connie plans to become a nurse.

Outing Club 1, Band 1, 2, 3; Pep Band 1, 2, 3; Orchestra 1, 2, 3; Chorus 1, 2, 3; Operetta 2; Track 2.

Don has eagerly participated in most of the musical activities, intruding everywhere with his alto saxophone and disturbing the peace. He likes to go camping and "to get away from it all." When he becomes eighteen, we shall lose him to the Army.

Loren C. Graves

Projectionist Club 3; Basketball 3; Baseball 1, 2, 3.

Traveling down from the hills of Leverett muttering, "Where there's a will there's a way," is Loren Graves. He can be found at the movies or at Stone's Pool Hall. Loren's future plans are indefinite.

Marie can usually be found working very hard for her class. She has enthusiastically participated in all school activities. She doesn't like the lack of inter-class cooperation around A.H.S. She likes to ski. I wonder why? "La balous" is her favorite expression, and she plans to attend Bates or the U. of M.

French Club 1; Pep Club 1, 2, 3; Tri-S 1, 2, 3; Outing Club 1, 2, 3; Goldbug 3; Pro Merito 2, 3; Class Play 2; Basketball Manager 1.

Ask Barbie if she'd like to go somewhere and her answer will be "S-u-r-e." In spite of being an excellent student and one of the busiest girls in our class, Barbie is always ready for a good time or a long telephone conversation. Next year Barbie plans to attend the U. of M. in preparation for teaching.

Marjorie Heidrich

Pep Club 1, 2, 3; Tri-S 1, 2, 3; Graphic 1, 2, 3; Goldbug 3; Intramurals 1, 2, 3.

Margie, an untiring supporter of our class, is always on the lookout for news for the Graphic. In her spare time she can be found at Shumway's. Next year she plans to attend the U. of M.

Lenny Hebert

Sports Club 1, 2, 3; Projectionist Club 1; Class Play 2; Football 1, 2, 3; Baseball 1, 2, 3.

When you hear "Go jump in the lake," Lenny Hebert's sure to be around. Lenny, whose favorite pastime is sports, can be found either at Shumways or in South Amherst. He despises homework on Friday nights. Teachers take notice!

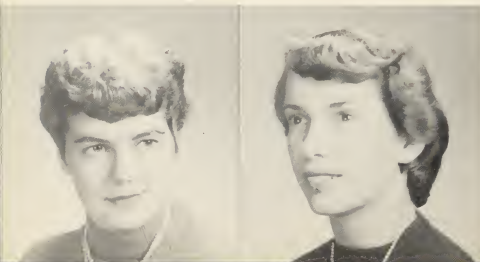

Archie Henry

Friendly Arch is very agreeable, "Sure" being his favorite expression. Playing mechanic satisfies his constructive and destructive impulses, and nothing leaves him more dejected than the sudden discovery of "no money." He has an ambitious future plan—getting married.

Sally E. Holden

Pep Club 1, 2, 3; Tri-S 1, 2, 3; Graphic 3; Basketball 1, 2, 3.

Sal's reason for doing anything from studying to making dates is "just for chuckles." Her favorite pastime is writing letters to Kansas City. Are they in shorthand, Sal? Next year she plans to enter the Armed Services.

Janet Louise Holt

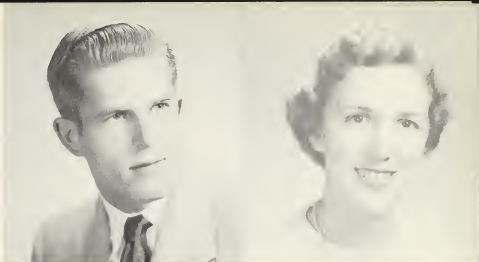

Student Council 1; Pep Club 1, 2, 3; Tri-S 1, 2, 3; Intramurals 1.

If you are in Shums and hear someone exclaim, "Such is life," you'll know that Jan is present. Riding around in a '55 Chevi is her favorite pastime. Who's at the wheel, Jan? Next year she plans to attend college.

Morgan W. Horr

Graphic 3; Rod and Gun Club 1; Football 2, 3; Basketball 1, 2, 3; Goldbug 3.

"Don't push your luck" with Gabis, because he dislikes a wise guy. He can be seen flying an airplane or at Shumway's eating grilled cheese sandwiches and strawberry frappes. Gabis plans to join the Service.

Eleanor Hubbard

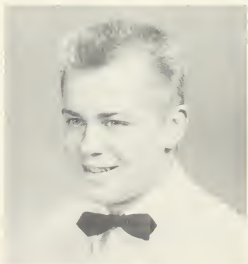

Pep Club 1, Outing Club 3; Chorus 3; Operetta 2; Majorettes 1, 2, Drum Major-ette 3.

William C. Hubbard

Game Club 1, Sports Club 1; Football 2, 3; Basketball 3; Track and Field Events 1.

Helen Theresa Jackson

Game Club 1; Pep Club 1, 2, 3; Tri-S 1; Graphic 3; Goldbug 3; Operetta 2; Class Play 2.

"Let's do something" would be a good motto for Helly. You'll find her at Shum's, the Town House, the movies, or riding around in a blue Ford. Helly has an abundance of energy and wit. Her future plans include attending a Junior College.

Richard E. Jenks

Rod and Gun Club 1, Basketball 1, 2.
Jayson can be found fooling around in his '49 Ford. Famed for his shrill whistle, Dick likes foods of all kinds and just loves to go out with girls or go flying. Dick's future plans include the Air Force and then getting a farm of his own.

William Edward Jacque

Football 3; Basketball 3; Baseball 3; Track and Field Events 3.

"Beans", whoops Bill Jacque, all set to go fishing. He can be found most anywhere sneering at girls' slacks, because he thinks pants should continue to be worn only by the men of the family. Bill's future plans are to attend prep school and then a college.

Denison K. Jones

Projectionist Club 1; Rod and Gun Club 1.

D. K. can be found in Greenfield or at the University of Massachusetts, or enjoying his favorite pastime, the Airlines Drive-In. When faced with homework or a girl who can't make up her mind, D. K. says "Son of a gun". He plans to take a two-year course in forestry and beef raising.

John J. Kershliis

Rod and Gun Club 1.

Tell Jack that black is black and he'll say "Prove it". When he's not devouring steak and French fries, he can be found at Shumway's or just riding around in his little red Nash. Jack can't stand people who think they're it. His future plans are the University of Massachusetts or the farm.

Robert F. Kessler

Class Play 2; Operetta 2.

No matter what you say to Bob, the reply is, "You know." Kess can be found in his shop in the family garage repairing T.V.'s, radios, and electrical appliances. This has been his hobby for the last three years, and he plans to make it his life work.

Joan Marie Knightly

Game Club 1; Pep Club 1, 2, 3; Tri-S 1, 2, 3; Graphic 1, 2, 3; Goldbug 3; Class Play 2; Basketball 1, 2, 3.

"Ya but" can be heard echoing from Joni's mouth through our halls. She doesn't care for kids with no school spirit or who "act up" at class meetings. She can usually be found at Shum's. Her plan for the future is a teaching career.

Patricia A. Kuzmeski

Lucille Helen Nanarionis

Pep Club 1, 2, 3; Tri-S 1, 2, 3; Graphic 3; Goldbug 3; Class Play 2; Cheerleaders 1, 2, 3.

Lucy is one of our cute blonde cheerleaders. She can't stand those who show bad sportsmanship and lack of school spirit. She is not alone on this subject. Lucy's favorite expression is "no fooling". She can be found dancing, cooking for her brother and sisters, or at the movies. She plans a nursing career.

Regina Mary O'Brien

Helen Catherine O'Hearn

Tri-S 1, 2, 3; Outing Club 1; Drama Club 1, 2; Chorus 1.

Since acquiring her driver's license, Betty's chief occupation has been trying to keep her father from using the family car. As Betty's favorite pastime is attending drive-in movies, does she find other entertainment in the winter? Although Betty's future plans are undecided, we wonder if she might add a three letter word to her name.

Randall W. Prescott

"You know" is Randy's way of explaining something. His favorite pastime is working on cars—probably either his yellow Oldsmobile or Phil's Model A. He can be found at the gas station. "You don't know, do you?" can be heard through the halls when Flash is anywhere around. Dave doesn't like it at all when he has an empty wallet and an empty gas tank. His favorite pastime is driving. He can be found at Shum's and plans to attend Amherst College.

Dorothy Elaine Roys

Pep Club 1, 2, 3; Tri-S 1, 2, 3; Operetta 2; Class Play 2; Majorettes 1, Lieutenant 2 and 3.

Dotty, one of our peppy majorettes, hails from Leverett. A vivacious little blonde, she doesn't let the fact that she lives in Leverett keep her from participating in class and school activities. You can see her driving between Leverett and Amherst most any time, day or evening. When you hear the retort "No Kidding", you can be sure Dotty is around. She plans to go to college next year.

David S. Rozman

Goldbug 3; Pro Merito 2, 3; Debating 1; Track 1, 3; Cross Country 3.

Elizabeth Louise Searle

Pep Club 1, 2, 3; Basketball 1, 2, 3.

"You dog", is the pass word of Betty, one of our leading sports fans. Because she has a happy disposition, she dislikes people who don't have a sense of humor. Betty's future plans include a very noble ambition—"working to help juvenile delinquents".

Jane E. Sanctuary

Jane thinks that "It's better to be early than late". She plans to attend college, and busies herself babysitting. She enjoys collections, and, although she won't say so, we know that she can play the piano.

David King Shumway II

Game Club 1; Class Play 2; Baseball 1.

Shum was a stagehand for the class play in his junior year, and he could really toss those sets around. Why? Because, like Popeye, his favorite food is spinach. Pep Club 1, 2, 3; Tri-S 1, 2, 3; Basketball 1, 2, 3.

If you hear "How am I supposed to know?", you know that Nonie is around. She likes to go to basketball games and Legion dances. Nonie has worked hard to make our paper drive a success. Upon graduation she plans to join the Service.

Sandra Jean Strange

Drama Club 1, 2; Student Council 2; Tri-S 1, 2, 3; Chorus 2; Operetta 2; Class Play 2.

Dorothy M. Waskiewicz

Pep Club 1, 2, 3; Tri-S 1, 2, 3; Graphic 3, Pro Merito 3; Basketball 1, 2, 3.

When you see Dotty, we wonder what you notice first—her tantalizing dimples or her unusual olive complexion. Dotty's chief claim to fame is that she is the only member of our class to have had perfect attendance for all twelve years. Does this mean she will never miss roll call when she joins the Armed Services?

Elizabeth L. Welcome

1956

Michael Sullivan, secretary-treasurer; Charles Chase, president; Augusta Fishel, vice-president; Donald S. Lacroix, adviser.

THE Class of '56, consisting of 105 members, the last class to graduate from Amherst High School, has been outstanding in its business enterprise and initiative since it was able to raise most of the money for this book by the middle of the year. This was accomplished through such fund raising activities as paper drives and dances, a class play, foodsale, talent show, and a skating party.

The class has been active in many outside activities, including sports, cheerleading, music, and dramatics. The band, cheerleaders, and majorettes have participated in several outside contests, and the class has been represented at Boys' and Girls' State and Student Government Day. With the plans of future activity already formulated by many members of the class, it may be confidently expected that in the years ahead the group will distinguish itself in various walks of life.

GOLDBUG STAFF

This year's **Goldbug** was a spring publication. The editorial and business staffs worked under adverse conditions, having no room in the school in which to lay out their material.

However, working at high speed and carrying their copy and pictures with them, the seniors turned out a fine publication. The staff was faithful in adhering to the deadline schedule. This year was also a red letter year in the history of **Goldbug** publication. For the first time the printing and picture work were done by local firms, Hamilton I. Newell, printer, and Mitchell S. Koldy, photographer.

B. Becker, P. Mannheim, co-business managers.

Quality, not quantity, say the juniors, who number eighty-three and make up the smallest class in A.H.S.

Next year's future depends largely on this small group of hustlers who spent this year continuing the record begun when they entered as freshmen. Hard working students got their names on the Honor Roll. Boys and girls interested in sports turned out faithfully and were rewarded with positions on the first strings. A large number of the class found their interest in dramatics spurred on by the junior play. Plenty of school spirit characterized the '57ers, who led in support of the cheerleaders and the Pep Club.

Curtain Going Up was a striking success both dramatically and financially, netting the class approximately one hundred dollars. The traditional cake auction added another eighty dollars, and the treasury was further swelled by the proceeds from a spring paper drive.

The juniors pioneered in the sponsoring of a fall street dance, a big success from the standpoint of enthusiastic participation.

The Senior Reception proved the high point of the year. The dance was proof of the ingenuity and artistry of the juniors who outdid themselves in honor of their departing friends.

Every year finds a new class entering the doors of Amherst High. Every year the members of this class with some fear and trepidation, but with greater hope and anticipation begin this new stage of learning and growing up. The Class of '58, one hundred and seven strong, made a good start by placing a number of its group on honor roll. Many of the boys turned out for football and made the first string. Basketball, baseball, and track found an equally large number participating. The girls too found places on the basketball and softball teams. A keen interest in dramatics was displayed by both sexes, predicting a successful future for A.H.S. plays.

Among the several activities of the class were the Harvest Festival held on November 18th and the joint sponsoring of the Sadie Hawkins dance on February 18th. The former was the first dance of the year and one of the most successful, netting the class a small profit to be applied to the financing of the yearbook in the senior year.

In the course of the year the frosh picked up twelve new members, swelling its total to one hundred and nineteen and making it the largest class in A.H.S.

Watch the Class of '58! It is going places.

Well, here we are—now what?

BAND

For the band, this was an active year. They started off by playing for some of the football games. The Brass Choir helped the Christmas spirit by playing carols at the Christmas assembly and on the common on December 23. In the spring the whole band joined with Deerfield Academy and Amherst College to give a very effective concert. Members of the band played in the All-State Band, where Tom Sullivan was chosen first trumpet from the whole state. Three important appearances were made during the spring; one at the school festival, another at the Community Fair, and the third in the Memorial Day Parade, which was a fitting climax to a successful year.

CHORUS

The high school chorus, under the fine direction of Mr. Schuler, really made progress this year. They first showed the rest of the school the result of their work in the Christmas assembly. Something new this year was their appearance in joint concerts with Orange, Athol, and Turners Falls. Some of the members of the chorus attended the All-State Chorus Festival, and the whole chorus took part in the annual Amherst schools' Spring Festival. Their last appearance was at graduation. Enough of the members were underclassmen so that there should be another fine chorus next year.

BOYS' DOUBLE QUARTET

A new organization this year is the Boys' Double Quartet. They were under the direction of Mr. Sethares, assisted by Nancy Bell, accompanist. The group made several successful appearances, including a January P.T.A. meeting, the South Amherst Minstrel Show in February, and the Senior Class Variety Show.

M. Benben; H. Sieling; V. Tidlund; N. Bell, pianist; S. Parsons; T. Patrick; B. Cole.

GIRLS' DOUBLE QUARTET

The Girls' Double Quartet, a new addition to our school's musical program, has provided some real close harmony this year. Their first appearances were at high school and junior high assemblies. They also sang for the Senior Class Variety Show and the Spring Music Festival.

A group of biology students who like to draw formed the new Biological Artists Association this year. They turned their talents into making charts and drawings which will be used in future biology classes. In January, March, and May the club exhibited its work on the walls of the first floor corridor.

The Graphic

The **Graphic**, school newspaper, became an entirely new publication this year with a change in size, format, and print. Under the advisership of Mr. Crouse, a new staff sparked by Sue Bunn, editor, turned out eight issues of the four page monthly. As a separate sheet, disassociated from the local town paper, the **Graphic** met with greater success as a school organ of teen-age humor and opinion. News, sports, humor, and

features made up every issue.

Local advertising helped furnish the funds necessary for printing costs. In addition the proceeds from the Alumni game, sponsored by the **Graphic**, added to the treasury. Staff members sold refreshments at all home basketball games to make up the required total.

The **Graphic** reached a circulation of 200, a record for A.H.S.

They are responsible for the operating of all the projectors, microphones, and other equipment during classes and assemblies. When not busy showing movies, the boys can be found training the newer members of the club.

TRI-S

Tri-S, the largest club in school, is famous for its annual initiation day. This year was no exception. Monthly meetings found members engaged in social and service activities. The Sweetheart's Ball at Christmas marked the peak of the former and the food baskets at Thanksgiving headed the service list.

OUTING CLUB

If you don't like to ski, skate, swim, hike, or camp out, you should stay out of the way of the Outing Club. They started the year with a weekend trip to Lake Sunapee. The winter's activities included a three day ski trip to Stowe, Vermont, several outings to nearby ski areas, and several skating parties. To close a successful year of outdoor antics the Outing Club went on a camping trip in New York State, which included a visit to West Point Academy.

With only one starter returning, Coach John McDonough had a rebuilding problem this year. He was handicapped all year with an undermanned squad. Injuries to key players throughout the season were climaxed in the final game as only fifteen members were on hand.

The team started slowly, due largely to inexperience, came along fast, and closed out the season with three well played games.

The bulk of the work fell on the freshmen until the final three games when the addition of three seniors, Morgan Horr, Jim Bias, and Joe Matysiewicz helped spark the team to finish out strongly.

Coaches McDonough and Johnston can look forward to a successful year next fall as ten seasoned veterans are returning.

VARSITY BASKETBALL

This season's basketball squad, after starting off and running through their independent contests with five wins and one loss, finished the season on a sour note in the Hampshire League, winning only three and losing eleven times. The overall record turned in was eight wins and twelve losses. Seven of these losses were within seven points and easily

could have been games that would have gone one way or the other.

With only one regular back, the squad did no worse than could have been expected with the lack of experience.

In the first half of the year the starters consisted of seniors: in fact, the first seven games were started by seniors. Then Dave Malinoski, freshman, broke in to the starting lineup. For the finals against South Hadley, Coach McDonough started three underclassmen.

Seniors on the varsity were Captain Jim Bias, Lou Miazga, Morgan Horr, Randy Crowley, John Dzuiba, Bill Banks, Bill Jacque, Paul Mannheim and Jon Osgood. Managers were Mike Sullivan and Bob Fishel.

CHEER LEADERS

Amherst High Hurricanes found support and praise from their seven Varsity and five Junior Varsity cheerleaders throughout their football and not too successful basketball season. During the basketball season the boys played hard and lost many close and exciting games to some of the better schools in the Hampshire League.

Both cheering squads followed the games closely and attended all games including those away. After the close of the Hampshire League Tournament, the Varsity

cheerleaders were honored by being invited again to the Annual Deerfield Cheering Tournament at the Veterans Memorial Gymnasium in South Deerfield. Although our cheerleaders were up against keen competition such as Greenfield, Turners Falls, and Arms Academy, they returned home with a beautiful third prize trophy.

The Junior and Senior Varsity cheerleaders both spent a great deal of time and effort to turn out a good, strong cheering section to support our Amherst High Hurricane team for another year.

TRACK

As the javelin, discus, and shotput are taken out for the new season, and spiked shoes are readied to grip the cinders firmly, the fleet-footed, strong-armed Sethares Trackmen assemble for action. Prospects look favorable for a successful year, as the team is strong in many areas, especially in the mile event. Helpful to the team will be the continued use of the facilities of the University of Massachusetts and Amherst College.

1956 BASEBALL

As defending champions of the Hampshire League, Amherst High School's chances of retaining their crown appears to be bright.

Losing five regulars is a blow to any small high school basketball team, but it is expected that capable reserves from last year, plus a number of freshman hopefuls will be able to take up the slack.

Returning starters are Randy Crowley for his third season and Jim Bias, John Dziuba, and Chuck Roys for their second years. Also returning will be Jon Osgood, Dán Truesdell, Dick Bennett, and R. K. Patrick.

A six game independent slate has been scheduled in addition to the ten game Hampshire League card.

CROSS COUNTRY

The cross country team, created this year under the direction of Mr. Sethares, was faced with tough competition in its three meets. Since no public school in this area had a team, the Amherst seven were to contend against Deerfield Academy, Mount Hermon, and the Amherst College Freshmen. Endurance, speed, and enthusiasm led to an outstanding victory at Deerfield, although Amherst casualties and strong opponents led to defeat on the two successive meets.

SOFTBALL

There is never a large number of girls interested in playing softball, so that all girls who turn out for the team usually make it. Last year's veterans plus the hoped for recruits from the freshman class will provide Coach Lawson with a well equipped team. The ten game series, which will be played with South Deerfield, Arms Academy, Greenfield, Northampton, and Orange, will begin May 8.

First row: J. Knightly, D. Perry, P. Ostrowski, D. Waskiewicz. **Second row:** R. O'Brien, J. Domina, C. Keegan, K. Goodhind. **Third row:** A. Fishel, N. Rodzwell, M. Hanson, M. Aldrich, E. Becker, S. Holden. **Fourth row:** M. Adams, J. Drake, managers; Miss Lawson, coach; E. Welcome, manager; S. Smith.

VARSITY BASKETBALL

Beginning the season with a loss to Greenfield, the girls went on to finish their year with eight wins out of the ten games played, losing again to the Greenfield sextette. With eleven girls leaving in June, the '56-'57 Varsity will have a nucleus of five girls on which to build its team.

It will also have a choice of the best players from the undefeated Junior Varsity team.

The Girl's Junior Varsity basketball team had an undefeated season this year. The freshmen had not only an abundance of spirit, but also an abundance of skill. Led by the experienced juniors, the team played a hard, fast game. Prospects for the '56-'57 season are good as the incoming freshman class includes many excellent players.
